Let me check with Sarah, so hold any invitation for now. If the Governor wants to attend the opening session and wants to speak, it could be awkward.

Subject: OK Governor Invitation to Opening

Hi Jane—

I could use your guidance. Sarah instructed that we invite OK Governor to the Official Opening of the Council Session. The Governor is invited to welcome the CEC at the closing dinner at the Governor's Mansion. The person who is invited (assuming AO has done so) to speak at the Council Opening Session is the new OKC Mayor Holt. I presume we could invite the Governor to the opening session and the reception as a courtesy as Sarah did not propose a change to the Council Opening program to add a speaking role for the Governor.
